THE SONG OF THE STARS

*We are the stars which sing,
We sing with our light;
We are the birds of fire,
We fly over the sky
Our light is a voice.
We make a road for spirits,
For the spirits to pass over.
Among us are three hunters
Who chase a bear;
There never was a time
When they were not hunting.
We look down on the mountains.
This is the Song of the Stars.*
